“ Words can not express my deep sympathy for the Allen family. I regret I live too far away to attend this service, but I am there in my heart. I can not stop crying. Tom meant the world to me and I have nothing but great and amazing memories. He had the best laugh in the world and a smile as big as his heart. If you knew Tom, you knew he was a pest and a trickster. Although he could dish it out, he couldn't take it. The Task Force pranks occasionally got out of hand and Roger would have to set us all straight. He had a carrying side as well, but if he got you in his sights, believe me you were going to jail. I've never seen a man work so diligently on a case as Tom did. He is a part of law enforcement history and is forever in my heart. Tom believed in Jesus Christ and he is finally home. I will see you again my friend. Love, Jennifer##imported-begin##jennifer tyler##imported-end##
