*My Dad was the best there ever was  
He was always there for me, always. He always told me how much I  
was loved and stood behind me, even when I made mistakes. He was  
my hero, my best friend run confidant  
They don't make Dads like Tommy Lunsford anymore. He was honest,  
protective and taught us that the most important thing in life is meeting  
together in heaven  
Not material things  
To try to enjoy anything you are going through. I miss you more than  
you could ever know, and I will see you again Dad, in heaven. Because  
I know you are there!!!! I was so lucky, all my friends wanted parents  
like mine. I am so proud to be your daughter  
I just miss you so much Dad. You were the very best!*
