“ I am so sorry for your loss. I have great memories of Tony playing baseball with my little great-grandson a few years back at our Smith Family Reunion. He was great with the little baseball player and Tyler was convinced that Tony was a PRO! Praying for you ALL. Lawana Brewer, Bartlesville, Oklahoma

“ I am so sorry for your loss, I hope God will comfort you all in this time. I went to grade school and middle school with Tony and was proud to call him a friend. One memory of him was when we played football together and one particular practice he hit me so hard it knocked the breath out of me and I was down on the ground gasping for air. He helped me up and later we both laughed about it. To this day I think that was the hardest hit I ever took. RIP buddy
