“ It has been so many years ago..somehow one never forgets their first love and no love is ever the same after. I wish we could have said goodbye. My prayer is that you are safe and your soul is quiet..and that your mama and mammaw are holding you tight..I can still see your beautiful smile and your green eyes with the spec of brown..I always loved your eyes..may you rest peacefully..

“ To the brothers of my dear friend & classmate Troy; Only God & time will heal your hurt & pain & great sense of loss. Our brother was taken from us way too soon. Please take comfort in knowing, "God sits high & looks low" He knows all & will fix all, if we only ask & turn it over to Him. I will truly miss Troy, & will always remember his beautiful smile & giving spirit Ill be here for you Rick & Charlie.

“ Troy will be greatly missed by myself & my two sons. I looked at him as a brother he & Brenda shared one of the most special nights with me when my granddaughter Abbygaill was born. It tears my heart to pieces knowing that I will not get to see his sweet smile again in this life. My sons looked to him like an uncle. My family will deeply miss him. My heart goes out to Brenda.
