Its only goodbye for awhile. Valerie you will be missed greatly. You were probably the toughest lady I knew. You loved your family like crazy. I know you raised your children to be strong and they are indeed strong. One day they will be with you walking on the streets of gold. And Shannon will be right there holding your hand. I know you are now pain free and know no sadness. I remember when you got pulled over for speeding and your tag said cvalfly. You said the officer said I would like to cvalfly a little slower please. Lol love you and your family. Thank you for loving my daughter the way you did.
