“Woody was one of my favorites! He came to my office every day, sometimes to just visit or help with his phone, but would always leave with a baggie full of chocolates, mainly milky ways!! I will miss that sweet, sweet man and his love for photography. I have many, many pictures that he gave me and I will proudly display them in honor of him. My heart is broken and I miss him every day. Praying for you all....RIP Woody

“It was a pleasure to take care of this sweet man at the Sulphur Veterans Center he always had a smile on his face and he loved taking photos and posting them in his room or giving them to others. He also loved eggnog! My heart was saddened to hear of his loss. 💔 I will always cherish the memories forever. Prayers for comfort and peace for friends and family. RIP
