“ I send my love, thoughts and prayers to each of you. Greg, Terry and Steve he was proud to be your dad.

Fuzz was a dear, special man and he will be missed. I loved my uncle so very much.

Fuzz taught me to drive a tractor, and tried to teach me to play pool. He also let me bake him a cake when I was 9 years old (and the brave man ate it).

I will always remember him taking time to play Jacks with me. He drove 8 hours (all night after work and feeding the cattle) to bring my grandma and cousin, Roseanne to my wedding, turning around as soon as the reception was over to drive back to work his shift at The Refinery the next day.

“ Carolyn--so sorry for your loss. Had so much fun as a child visiting your farm. It was an exciting place with your sons (our cousins)-- fireworks, playing in the hay barn and creek. I remember a miniature hereford cow named "Curly"? that was kept as a pet. Uncle Fuzz was such a "chill" guy. Thanks for all the memories.
