“ *I am Wendal's sister Cheryl. We grew up on a farm along the creek bottom. We played in the creek as much as we could get by with before Mom would catch us. I have 3 brothers, Wendal was the oldest, Charlie, Gary and then me. We had lots of relatives that lived close by us so all holidays we had so many people over or at Grandma Gleason's farm, which we loved to go to her house. We went to a country school with all 8 grades in the one room school house and walked home with our neighbors. Wendal went to high school in Sisseton he stayed with our Grandma & Grandpa Kaple. It was about 15 miles but back then you didn't drive back and forth.*

*We had a very good life on the farm, we had good parents and we are very blessed to have had what we did.*

*I am thankful that his suffering has ended and now his family can look back on their memories and remember their good times as a family.*

*Love,  
Cheryl*
