“ *I knew Bill as "Frankovich" at the Department of Corrections we typically go by our last name. I have many fond memories of him, he was always smiling and made a point to stop by my office on a daily basis. We went to training together over a year ago, and as we were talking discovered that he had known my family for many years. I will miss his sweet smile and his jolly soul. He was respected by many even his clerks in the Law Library. LARC will never be the same. Bill shared stories of his family and wife as well as his grandmother whom he loved dearly, all of them. He was a proud father and husband. He taught me a few things about sheep shows he went to with his children. Rest easy my friend. God Blessed those who met you. May he bless your family with peace and comfort in your absence. Love you Frankovich!!*

“ Our thoughts and prayers are with your family at this sad time. We have many fond memories of Bill. Always smiling and lots of fun. I remember him as a baby and watched him grow up. He came to my home several times when a teenager to visit my children and watch bull riding. He will be sorely missed. The Isaacs family send their condolences. Donna Isaacs Fowler

“ Bill was a friendly good hearted person. I met him & his daughters while being involved in my child's livestock showing. Bill made you feel important and listened to you. He loved his family and was a good dad & husband. It's hard to believe he is gone. My heart aches for his family. May God provide blessings of peace, mercy & strength for them.
