“ He was the Greatest Brother I could ever have had and God bless me with him. When we was growing up he was the type that would give the shirt off his back for you. He was almost 6 years older than me and he carried me under his wing teaching me about life. All the memories are hard to write down, but i do know he had one the biggest hearts a man could ever have. He was the perfect Big Brother he once told me "Bubba i will always have your back if you ever need me". We went to a lot of drive in movies together and i never paid for anything. He was like my Dad he also would not let you pay for anything. We spent a lot of time camping at lake Tenkiller together. The first time that i was learning how to water ski my Mom was driving the boat and he was in the passenger side. My Dad was in the water with me i was only 7 years so i said "Hit It" as i was going i did not come up and I did not let go of the rope so i was pulled for several feet and drinking half of lake Tenkiller. My Mom did not slow the throttle down so Big Brother reach over and killed the engine Thank the Lord. I'm not blaming you Mom because i know it scarred you. I could go on and on about the camping trips we had and all the hunting and fishing trips we had together. I wish we could take our memories and put them on a dvd but we can not. I love you Leon you will always be in my memories you are up there with Mom and Dad and I'm down here missing all of you. May God Bless all of you and keep his loving arms around you. Until we meet again I will love and miss you for the rest of my life. GOOD BYE FOR NOW BUBBA REST IN PEACE

---
